## It does make a difference where you buy your new Mac

Apple online is our direct competition.

### We are Apple Specialists:

- Buying from Apple online is NOT the same as buying from Computer Village.
- When you buy from us you have both Apple support AND Computer Village support.
- We sell Apple computers for the same price as Apple online.
- We spend the time with you to get you the right computer.
- We answer your questions (or guide you in the right direction).
- We have sold and serviced Macs for over 20 years.
- We are the ONLY "Premium Service Provider" in the area.
- We offer FREE classes to customers that purchase from us (regularly \$25).
- We offer a 25% discount on service labor to Computer Village customers.
- We are a local business!
